BY FOREST RIVER

Comfort, Convenience, and Quality are
Built into Every Wildwood Product.

WILDWOOD / WILDWOOD LE TRAVEL TRAILERS & FIFTH WHEELS

38SLDS Travel Trailer Mauve Designer Decor

WILDWOOD TRAVEL TRAILERS

Nobody packs in the quality and convenience like we do at Wildwood.™ From the ground up, every choice we make is decided on the basis of quality because we know that only the finest components and the best design and engineering are what you expect. For 2004, Wildwood delivers a wide variety of expertly designed floorplans. They are all built to the exacting standards that have made Wildwood one of the most popular recreational vehicles on the market today.

Wildwood travel trailers feature radius doors, multi-tiered windows for cross ventilation, automotive style fenders with no screws showing and painted on side stripping that won't fade or crack. (Model 29+3 with fiberglass exterior option shown.)

The optional exterior grill is the perfect option for serious campers. The gas grill is easy to set-up and features a large grilling surface. (Available on all Wildwood and Wildwood LE floorplans.)

Every available space is used for added storage. Shown here is a pull-out pots and pans drawer under the dinette – standard on every Wildwood™ floorplan.

Left – Who wouldn't feel at home in a Wildwood Park Trailer with a 19' main slideroom? Whether it's just the two of you or a group of friends, you'll have all the room and comfort you'll need.

30FKSS Travel Trailer Tan Decor

27RKSS Fifth Wheel Designer Sage Decor

WILDWOOD FIFTH WHEELS

Wildwood™ fifth wheel recreational vehicles are unique because they offer the customer a wide range of floorplans and options plus an outstanding array of standard features usually found only on high-end product lines. Discriminating customers keep returning to Wildwood because they know they're going to buy a recreational vehicle that maintains impeccable standards in craftsmanship, appearance and durability. Wildwood fifth wheels are offered in mid-profile and hi-profile to fit your family's need and towing requirements.

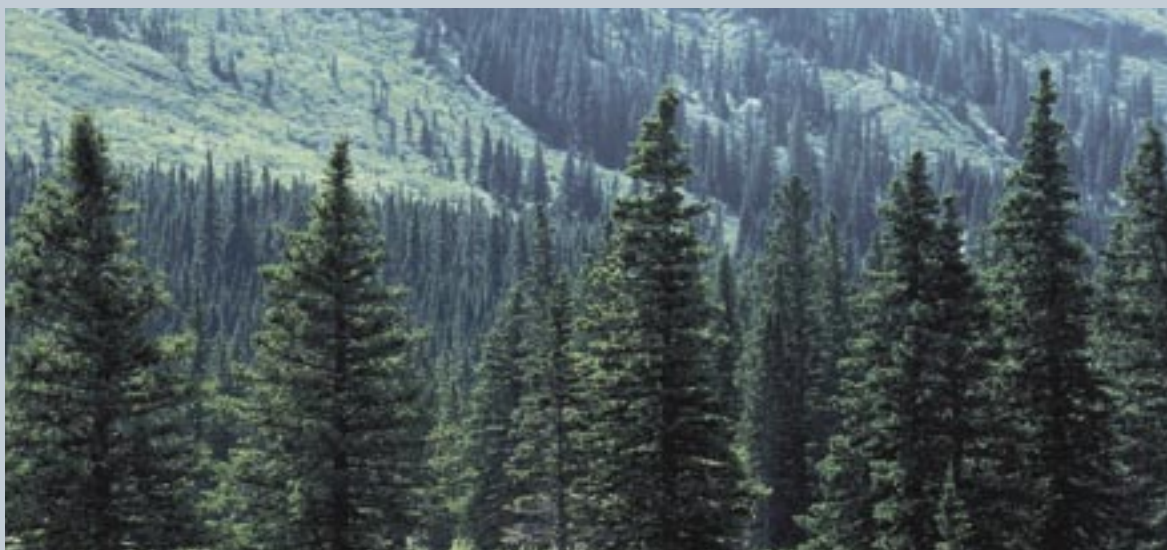

Above – The warmth of the homey galley greets you with an abundance of natural solid oak cabinetry. Features like the built-in appliances and double sink with matching cover provide a spacious dining area fit for a gourmet meal.

Wildwood fifth wheel trailers feature radius doors, multi-tiered windows for cross ventilation and spacious pass-thru storage for extended camping comfort. (Model 27RLSS Mid with fiberglass exterior option shown.)

Enjoy an afternoon nap on your new queen-size sofa hide-a-bed with flip-out footrests (optional per floorplan with optional free standing dinette).

You'll feel like you're getting first class treatment in such a richly furnished interior. Lounge on the luxurious sofa or recliner while enjoying your favorite entertainment in this spacious Wildwood fifth wheel.

32RLDS Fifth Wheel Designer Sage Decor

- Fiberglass front and rear caps (5th Wheels)
- Storage Plus Door (where available)
- Fiberglass front cap (Travel Trailers)

WILDWOOD advantages

Our 12" 10-blade Fantastic™ Bath Fan significantly increases air circulation and the removal of condensation as compared to the industry's standard smaller power bath vent.

On selected fifth wheel models we have provided a laundry chute with basket.

Vented side windows in the slideout let you enjoy the cool breezes providing important cross ventilation that most of our competitors do not offer.

Safety, comfort and convenience is what we are all about - every Wildwood™ is equipped with a lighted main entry step. You will come to appreciate this feature while enjoying those late night campfires.

Why leave all the fun at home? Bring it with you! With Wildwoods' huge exterior storage compartment your packing is not limited to just the interior.

For maximum air circulation and to increase your heating and cooling efficiencies, you may want to choose this optional ceiling paddle fan. (Available on all fifth wheels and 38' travel trailers.)

Enjoy movies, sports and music with Forest River's exclusive sound system. The heart of our impressive system is an AM/FM CD cassette stereo all operated by remote control. Our speaker system boasts an impressive 100 watt sub woofer with four satellite cube speakers to enhance your listening pleasure.

Our whole house water filtration system removes the bad taste and odor as well as bacteria and other contaminants for 10,000 gallons or one year. The WaterPur™ Filtration System has been awarded the WQA Gold Seal for meeting and exceeding the industry standards for performance, capacity and integrity. This will ensure that you will have a safe and healthy camping experience. For more information go to www.wqa.org.
